CARE AND CLEANING INSTRUCTIONS

- Wash thoroughly with soap and water after each use. DO NOT place in a dishwasher.
- Dry immediately with a towel as air-drying can shorten the lifespan of your bamboo board.
- Do not use your bamboo board as a resting place for hot pans or baking sheets as this can cause it to become susceptible to drying out and cracking.
- To conserve the original look of your bamboo board, periodically use a little vegetable oil on a clean cloth to rub the surface.
