

COMMICHEF

high grade stainless steel
professional quality cookware

iGRUNWERG
SHEFFIELD · ENGLAND

Every Good Chef deserves a COMMICHEF, a helping hand in the kitchen, just when it is most needed.

COMMICHEF make Professional Cookware to the most demanding standards of the Restaurant Trade, but they are equally at home on the hob of the keen home cook.

- Deluxe 18/8 Stainless Steel
- Extra-Heavy Gauge 1.0mm thickness (incl covers)
- Cast Stainless Steel handles (with spoon rest facility)
- 5mm thick Impact Bonded Encapsulated Base
- Suitable for Induction Cooking (and of course Gas, Electric, Ceramic & Halogen Hobs)
- Extra-Deep Form gives up to 40% Extra Capacity
- Second Helper Handle on Larger Saucepans and Frying Pans
- 2-Tone Body Finish
- Attractively Gift Packed and Fully Guaranteed.
